Sir:

AMENDMENT AFTER ALLOWANCE

In response to the Notice of Allowance mailed June 21, 2005, Applicants respectfully request that Fig. 6 of the drawings be amended as described herein.

In the Notice of Allowability mailed June 21, 2005, claims 1-17 were found to be allowable. In reviewing the file, Applicants discovered a minor, typographical error ap-

pearing in Fig. 6 of the drawings. Specifically, the word “marks” as appearing in box 604 of the informal drawings should be “masks”, as shown in the Specification as originally filed on p. 9.

In the formal drawings that are being submitted together with this Amendment, this typographical error has been corrected. No new matter is being introduced, and no amendments to the claims are being proposed.

Pursuant to 37 C.F.R. § 312, the undersigned attorney understands that this Amendment is being filed either before or with the payment of the Issue Fee. Accordingly, Applicants respectfully request that it be entered.

Authorization to Debit Deposit Account

It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. §1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Hewlett-Packard Development Company's deposit account no. 08-2025.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael Reinemann", written over a horizontal line.
